## **Cadaveric Masterclass in Nerve Surgery**

**Date:** Thursday 15<sup>th</sup> June 2017

**Venue:** University of Manchester Cadaveric Laboratory  
Manchester Surgical Skills Centre, Stopford Building M13 9PT

**Fees:** £400  
Package with BSSH ICHS 7.2 Course £600

**Places are strictly limited to 18 (9 cadavers)**

The Masterclass is back and this year we will tackle nerve surgery. This is an excellent opportunity for consultants and very senior trainees with an interest in Nerve Surgery. The course will run in conjunction with the established ICHS course 7.2 (Nerve injury, decompression, pain & anaesthesia) and will cover: Brachial plexus dissection, Nerve transfers (including Oberlin & Bangkok), Tendon transfers for Radial, Median & Ulnar nerves, Nerve grafting using autograft and allograft.

With a faculty to delegate ratio of 1:2, delegates will receive guidance from established nerve surgery experts to allow them perform the above procedures. Pre-course material will be provided in advance to ensure all time is spent in the lab.

### **Course Convenors:**

Zaf Naqui, Grainne Bourke & Lindsay Muir
