

BSSH DVD LIBRARY INDEX

**Please note: All titles have been saved in .mpg format.
The videos will play on InterVideo Win DVD**

DVDs are not currently available directly from the website due to the large file sizes. They are obtainable from the BSSH offices. BSSH are not able to accept your personal memory sticks for downloading files due to the risk of transmission of computer viruses. A BSSH 8GB Flashdrive must be purchased at cost price (£10). Complete the order form, indicating the videos you would like, ensuring there is sufficient capacity on the Flashdrive for your selections.

ANATOMY

Functional Anatomy of the Hand. R A Chase, L White. (1172MB)

Muscle Function in the Fingers. Graham Stack. (612MB)

Motor Defects. Athol Parkes. (333MB)

Oxford Lecture. I Taylor (2172MB)

CLINICAL

Wrist Examination. Phil Sauve. 2009 Prize Winner. (641MB)
