Feedback from previous courses (2021, 2022, 2023) and invited workshop at the RSM-PLASTA Congress (2022):

- “Excellent course which really helped me develop my microsurgical skills and technique”
- “Overall amazing course and very convenient. I gained a lot of confidence and love that I can continue to use my kit to practice at home”
- “I think this was a great course, well worth the cost. Great trainee-led course that is catered for trainees. Excellent!”
