

BSSH Fellowship

Title/Hospital:	Wirral University Teaching Hospital NHS Foundation Trust
Fellowship Director:	Mr Vijay Bhalaik
Consultants:	Mr Alfred Morris Mr Vijay Bhalaik Mr Simon Robinson Mr Neal Ormsby
Aims/Sub-Specialty:	To develop experience in all aspects of upper limb surgery at a large, busy hospital. Comprehensive elective and trauma practices for the hand. Particular interests and areas of required development can be accommodated.
Sponsor:	N/A
Career grade of applicants:	Post-CCT
Additional Information:	The fellowship is a 12 month post working with Mr Vijay Bhalaik and Mr Alfred Morris. The post is for a senior post-CCT and gives exposure to all aspects of hand and elbow surgery, apart from major re-implant and congenital hands. There is also the opportunity to have exposure to arthroscopic shoulder and elbow surgery. Research and leadership opportunities are available. It would be expected that the successful candidate will be appointed as an upper limb consultant following this fellowship if all competencies have been achieved
Application Process:	NHS Jobs
Start dates:	Every August
Application Closing Date:	Previous December
Interview Date:	January/February
